

## Tuition Schedule - 2012-2013 School Year

- There is a one-time, non-refundable fee of \$225.00 due upon enrollment for new families.
- A non-refundable enrollment deposit of \$500.00 is also due upon enrollment. This deposit is credited toward the total tuition and is due every year for each child. The enrollment deposit is required to hold your child's place and places are held on a first-come, first-served basis.
- The tri-payment schedule represents the annual tuition. A nine month payment option is also available that includes a small finance fee.
- There is a 5% discount for the second child enrolled, and a 10% discount for the third child enrolled during the same school year. The discount will be deducted from the last payment. Once you have enrolled your children for the school year, appropriate adjustments will be made to your schedule.
- The costs of field trips are not included in tuition.
